Andrew Boutté

Experience

Springfield Nuclear Power Plant

Safety Inspector • Nov, 1980 — Present

Write about your core competencies in one or two sentences describing your position. If you held the position for a long time, it could be a longer section, including a couple bullet points:

- Ate lots of donuts
- Fell asleep rarely
- Left promptly at end of day (sometimes earlier)

If you're going to copy paste markup, or edit it, just be sure to keep the appropriate classnames on your new elements for styling purposes.

Sir Putt-A-Lot's Merrie Olde Fun Centre

Windmill Crank Operator • Jun, 1978 — Sept, 1979

If your stint was shorter, feel free to be brief and just call out the most meaningful points of your role. Be concise, and be meaningful. The person reading just needs enough to want to talk to you more about your experience.

Simpson Lazer Tag

Front Desk Attendant • Jun, 1975 — May, 1978

Boy, when Marge first told me she was going to the Police Academy, I thought it would be fun and exciting, you know, like the movie... Spaceballs. But instead, it's been painful and disturbing, like the movie Police Academy.

Education

Springfield College

Associates Degree, Business Management • 1984 — 1986

If you had any meaningful roles at college, feel free to write about them here.

Projects

donutfinder.io

Founder & Primary Developer • 2012 — Present

Donut Locator is an open source node/ember app that lets users find donuts within a defined radius from their home.

Springfield Donut Eater's User Group

Co-Founder & Organizer • 2007 — Present

DEUG is a local monthly meetup in Springfield where we share all the latest tips and tricks for dat donut lifestyle. I organize the group, and typically eat most of the donuts.

Skills

Donut design

Sprinkle art, icing design, eclair management, taste testing, donut/coffee pairing research

Craft beer brewing

Hops inspection, brew testing, distribution management, bottle label design, festival and event management

Family leadership

Bread winning, conflict resolution, couch inspection, TV longevity testing

Recognition

Springfield Nuclear Power Plant

Outstanding Achievement • 2010

Awarded for stopping a nuclear meltdown, even though I also started it.

Duff Beer Customer of the year

1997 – 2001, 2003, 2008 – 2012

Honored by Duff Beer for being an outstanding customer several years straight. Qualifications included most beer consumed at a bar, most beer purchased, and most beer ralphed.

Moe's Patron of the Month

12/2001, 8/2004

Specifically this prestigious awarded twice for stopping a robber with my belly.

Associations

Beer for the World

Volunteer • 2008 – Present

Organized fund drives and participated in fundraising events for the benefit of families in third world countries without proper access to malt beverages.

Springfield Nuclear Workers Labor Union

Member in Good Standing • 1994 – Present

Founding member of the local nuclear workers labor union.
